Case called for further status conference. Attorney for plaintiff informs that they have been given copy of the bankruptcy proceedings and a couple of the operating files and it corroborates that the company is in deep distress. They have found out that an individual, who is not in bankruptcy proceedings, signed as guarantor. They would like to have copies of the loan documents he signed and evaluate his financial status.

Court grants defendant until October 5, 2001 to supply the copies of the loan documents and until October 15, 2001 to supply whatever else is requested.

Court sets a further status conference for Friday, November 30, 2001 at 3:00 PM.

Parties to be notified.
